RE: • Sewer Services for Windridge Townhomes provided by Alpine Utilities, Inc.

Dear Mr. Terreni,

I am a General Partner of Happy Rabbit, a South Carolina Limited Partnership, which is the owner and operator of Windridge Townhomes (hereinafter, "Windridge"), as described above. Windridge receives sewer services from Alpine Utilities, Inc. (hereinafter, "Alpine"). In my opinion, Alpine has improperly established and maintained its utility relationship with Windridge.

Accordingly, I request a formal hearing before the Public Service Commission of South Carolina, so that Windridge's concerns may be addressed by this Commission.

I am in the process of establishing an Escrow Account, in which Windridge's monthly sewer charges will be placed, pending the outcome of this matter.

I am copying counsel for the South Carolina Office of Regulatory office with a copy of this correspondence and they have been made aware of my concerns.

Sincerely,

Happy Rabbit, A South Carolina Limited Partnership
